Frisco, Texas 75034
www.asdhealthcare.com

Over 95% of hospitals and 80% of retail pharmacies in the United States purchase product from ASD Healthcare. Our sales representatives have relationships with not only these hospitals, but also with retail pharmacies, specialty pharmacies, infusion centers, blood banks and universities around the nation.

These relationships are the ones you're looking for. They're the hard-to-reach, tough to contact prospects you've been trying to win business from for years. Sometimes, they're the prospects you didn't even know you were missing.

Partner with ASD Healthcare and find the customers to grow your business.

Contract Sales

Our experienced sales representatives can tap into your desired market, sell your product, establish leads for future opportunities, and get you the return on investment.
